

EYFS Newsletter

Spring Week 3- Fri. 24th Jan. 2025

What We Learned

Learning is indeed fun, here in our little community. This week was filled with exciting activities such as; **flying a kite, creating colourful flowers, sorting smelling bottles, domestic animals, identifying colours pink, green and black across various classes, sorting into big and small, making a turtle** etc.

We wrapped up the week by joining the rest of the world in the celebration of the "International Day of Education themed "AI and Education: Human Agency in an Automated world. Our little friends were dressed in "**White t-shirt or dresses and jeans**", we had loads of fun!!

Colour of the week - Orange

Affirmation of the week - I am confident

Shape of the week - Pentagon

Word of the week - Confident

Upcoming Events

Career Day - Occupations have been attached to the communication books of learners.
